

## Medicaid/Medicare

### A Specialty Service with MedBill Compliance Group, Inc.

---

*Our success-and-your success-comes from providing the highest professional standards in Medicare & Medicaid Practice Management*

---

#### *Specialty specific*

Specialty specific requires a unique knowledge base of training and hands on experience to accurately process your medical billing.

The specificity of processing your practice claims drives maximum revenue and reduces appeals. Our Medical specialist has the knowledge and hands on expertise in your medical specialty that allows our group to understand the medical care you provide to your patient.

#### *Interpreting the Care Provided*

At **MedBill Compliance Group, Inc.** we properly interpret the care provided into the medical coding required for full valued payment.

Federal rules require at least 80% of all claims from physicians to be submitted electronically. Medicare and Medicaid will generally accept only electronic claims.

At MedBill Compliance Group, Inc., all claims are submitted electronically. All claims are pre scrubbed thru a sophisticated analytical software tool that either remits or denies payments.
